Tourism Heritage Empowerment - Visual Colonial Architecture Conference & Documentation

THE VISACA 2023 will be held in the historic Inna Bali Heritage Hotel Area on October 28, 2023, in Denpasar, Bali, Indonesia. The seminar's theme is Architecture, Tourism, Colonial Buildings, Heritage, Built Environment, and Culture: Empowerment of Architecture, Space, Meaning and History for Regional Tourism Development.

Abstracts and papers will be peer-reviewed. The targeted participants are decision-makers interested in the cultural, built environment, and architectural issues, ranging from academics, practitioners, decision-makers, architectural and environmental experts, social activists, policy advocates, non-governmental organizations, and students. The participants are kindly invited to take part in this seminar but not limited to the following sub-themes:

1. Colonial Architecture :
2. Local identity supporting tourism
3. Historical and socio-cultural values of the city as a tourist attraction
4. Historic urban architects and planners' role
5. Economic issues in architecture and the challenges of maintaining cultural heritage
6. Approach to the design of historic buildings and cities
7. Community empowerment in maintaining culture, traditional design, and local wisdom.
8. Other themes that are not limited to the sub-themes above but are related or related to heritage values, history, and tourism.
